Submitting your work

39. To record your progress, choose **Submit** at the top of these instructions.

40. When prompted, choose **Yes**.

After a couple of minutes, the grades panel appears and shows you how many points you earned for each task. If the results don't display after a couple of minutes, choose **Grades** at the top of these instructions.

Tip: You can submit your work multiple times. After you change your work, choose **Submit** again. Your last submission is recorded for this lab.

41. To find detailed feedback about your work, choose **Submission Report**.

Tip: For any checks where you did not receive full points, there are sometimes helpful details provided in the submission report.
